Find authenticity and lost flavors

Welcome to the Oasis of Galbusera Bianca. The supply chain from us is very short. We cultivate organically and biodynamically what we eat and our menus change with the changing seasons and even days. The lost flavors of nature become tastes rediscovered on our table, the authentic, real, intense flavors of ancient fruit, the scent of freshly picked herbs and flowers and the recipes of a time that come back to life. We offer our menu in vegan, vegetarian and meat versions. It is the best way to savor all the nuances of the flavors of our cultivated fields with love and passion. Enjoy your meal!
